AGREEMENT

This Agreement is made between the **School Committee of Barnstable** (hereinafter referred to as the “Committee”) and the **Barnstable Teachers Association** (hereinafter referred to as the “Association”).

Article 1 Recognition

A. The Committee recognizes the Association as the exclusive representative for the purposes of collective bargaining with respect to wages, hours, and other conditions of employment of all regular school assistants, teacher assistants, library assistants, personal care assistants, special education instructional assistants, technology assistants, health office assistants, certified occupational therapy assistants, and certified physical occupational therapy assistants (hereinafter referred to as “Paraprofessionals”) employed by the Committee, excluding all other employees.

B. School assistants and health office assistants as defined in this Agreement are those in which clerical or other assistance is provided to professional staff. A high school diploma is a minimum educational requirement for said positions. These positions will not require more than one half time in direct support of the professional staff in their primary duties.

C. Teacher assistants, library assistants, special education instructional assistants, technology assistants, certified occupational therapy assistants, physical occupational therapy assistants, and some personal care assistance (based on instructional responsibilities) as defined herein are those which require more than one half the time directly assisting students as their primary duties. Two years of college education are necessary to meet the academic requirement for said positions. All employees in the Bargaining Unit with the exception of school assistants, and health office assistants are considered “instructional paraprofessionals” under No Child Left Behind (NCLB). school assistants, health office assistants, and some personal care assistants (based on the lack of instructional responsibilities) are considered “non-instructional paraprofessionals.”

D. If a new position is created or if the duties of an existing position are changed, the parties shall discuss the appropriate unit placement of that position.

E. It is understood that all of the masculine gender in pronouns or adjectives shall apply equally to female employees in the Bargaining Unit.

Article 2 Negotiation Procedure

A. Not later than October 15 of the calendar year preceding the expiration of this Agreement the Committee and the Association agree to enter into negotiations for a successor Agreement.

B. Any Agreement reached between the Committee and the Association will be reduced to writing and will be signed by the Committee and the Association.

C. If the negotiations reach an impasse the procedure set forth in Massachusetts General Laws Chapter 150E, Section 9, will be followed.

Article 3 Grievance Procedure

A. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems, which may from time to time arise affecting the welfare or working conditions of Paraprofessionals. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

B. A grievance is hereby defined as a dispute involving the interpretation, meaning or application of any of the provisions of this Agreement.

C. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits to the aggrieved party shall permit the aggrieved party to proceed to the next step.

D. Failure at any step of this procedure to appeal the grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step, provided that any time limits may be extended by mutual consent.

E. Nothing herein contained will be construed as limiting the right of any Paraprofessional having a grievance to discuss the matter informally with any of his/her supervisors or appropriate members of the administration, and having the grievance adjusted without intervention by the Association, provided the adjustment is not inconsistent with the terms of this Agreement, and the Association has been given the opportunity to be present at such adjustment and state its views.

F. No reprisals of any kind shall be taken by any party to this Agreement against any party in interest, any witness, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

G. All documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participant(s). Unless requested to do otherwise by the Paraprofessional in question, any documents, communications and records dealing with the processing of grievances will be kept in strictest confidence and will not be made available to potential employers or others inquiring about said employee(s).

H. Procedure

Level One

A Paraprofessional having a grievance shall, with or without a representative of the Association, discuss it with his/her immediate supervisor and/or the principal within ten (10) school days of the date on which the Paraprofessional had knowledge or reasonably should have had knowledge of the occurrence of the event upon which the grievance is based. Any meeting with reference to the above normally shall be

held during non-school hours. It is understood that the Association may file any grievance at Level One with or without the Paraprofessional involved.

Level Two

In the event that the grievance shall not have been satisfactorily resolved at Level One, or in the event that no decision has been reached within ten (10) school days after presentation of the grievance to the immediate supervisor and/or principal, the grievance shall be reduced to writing and referred to the Superintendent, or his/her designee, by the aggrieved employee or by the Association within five (5) school days of the disposition under Level One. The Superintendent, or his/her designee, shall represent the School Committee at this level of the grievance procedure. Within ten (10) school days after receipt of the written grievance by the Superintendent or his/her designee, the Superintendent or his/her designee shall meet with the aggrieved employee and the designated representative of the Association in an effort to settle the grievance.

Level Three

In the event that the grievance shall not have been satisfactorily resolved at Level Two, or in the event that no decision has been rendered within ten (10) school days after the level Two meeting, the grievance shall be referred in writing within ten (10) school days of the disposition under Level Two to the School Committee. At its next regular School Committee meeting, the Committee shall meet with the Association in an effort to settle the grievance. If a special meeting is requested, it shall be held as soon as possible, but in no event, later than two (2) weeks after it has been requested.

Level Four

1. In the event that the grievance shall not have been satisfactorily resolved at Level Three, or in the event that no decision has been rendered within ten (10) school days after the Level Three meeting, the Association may refer in writing within ten (10) school days after the Level Three meeting, the unsettled grievance to arbitration. The Arbitrator shall be selected by agreement between the two parties. If the parties are unable to agree upon an arbitrator within ten (10) school days of the receipt by the Committee of the Association's intention to proceed to arbitration, the selection shall be made by the American Arbitration Association in accordance with its rules and regulations. Both parties shall share the fees and expenses of the Arbitrator equally.

2. The decision of the Arbitrator shall be final and binding on the Committee, the Association, and any individual involved, provided that the Arbitrator shall be without power and authority to modify or alter the terms of this Agreement.

I. In the event a grievance is filed on or after any June 1, which if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as practicable.

J. If by mutual Agreement, a grievance meeting between Association and Committee representatives is scheduled during school hours, individuals necessary to

the processing of such grievance shall be released from their normal duties to be present without loss of pay.

K. No employee shall be disciplined or reduced in rank or compensation without just cause. Provided, however, any case involving or resulting in discipline up to and including termination of employment shall not be subject to arbitration either under this section or any other provision of this Agreement. The decision to discipline up to and including termination and the procedures followed may be grieved only through Step Three.

B. If possible, salaries will be paid in twenty-two (22) equal payments with vacation days paid in a separate check in June.

Within that work year and weekly work schedule, the weekly load (hours) for Paraprofessionals shall not be reduced on account of in-service days or on partial days. However, the Committee reserves the right to modify schedules based upon need, and decisions relative to scheduling shall be final and not subject to the grievance procedure.

B. A lunch period equal in length to that of the students shall be provided for all Paraprofessionals. If on call, the Paraprofessional shall be paid for this lunch period. ("On call" means that the employee remains on the property and is available should they be needed to assist with an unanticipated situation.)

If a Paraprofessional has reached the maximum accumulation of sick leave in accordance with this article, the days to which the educational personnel would be entitled which are not credited to the educational personnel's sick leave account because of being over such maximum shall be credited to the Sick Leave Bank. If Paraprofessionals have unused accumulated sick days when they leave the school district's employment, those unused sick days (after any sick leave buyback) will be transferred to the Paraprofessionals sick leave bank. By October 15 of each year the Superintendent or his/her designee will transmit in writing to the president of the Association a list of all Bargaining Unit employees with the amount of each individual's accumulated sick leave. The president of the Association will then make this information available to the employees. Each Paraprofessional contributed two (2) days of their unused, accumulated sick leave to start the Bank. The sick bank is for utilization by employees whose own sick leave accumulation, both annual and accumulated, is exhausted through illness or accident and who require additional sick leave to make full recovery from an illness or accident.

2. The initial grant of sick leave by the Sick Leave Bank Committee to an eligible employee shall not exceed thirty (30) days.

3. Once the thirty (30) days have been exhausted, the period of entitlement may be extended by the Sick Leave Bank Committee upon demonstration of need by the applicant.

4. The Sick Leave Bank shall be administered by a Sick Leave Bank Committee consisting of four (4) members — two (2) members shall be designated by the School Committee to serve at its discretion; and two (2) members shall be designated by the Association to serve at its discretion. The Sick Leave Bank Committee shall determine the eligibility for the use of the Bank and the amount of leave to be granted. If there is a tie vote the decision will be against the applicant.

5. When the number of days in the Sick Leave Bank reaches twenty-five (25), all employees covered by this Agreement will be assessed an additional day which will be deducted from their annual sick leave.

In addition, an employee may draw from accumulated sick days to care for a spouse, child, or parent with a "serious health condition" subject to eligibility under the Family Medical Leave Act of 1993 (FMLA). Any member of the bargaining unit who works less than a regular five-day week shall have his/her family illness leave prorated accordingly.

H. Use or Non-use of the above-referenced leave provisions shall not be a factor in the evaluation process. The current evaluation instrument will be modified to change the rating of "attendance" from a point system to "satisfactory" or "unsatisfactory" for attendance, for absences or tardiness not in accordance with leave provisions.

I. If Paraprofessionals have unused accumulated sick days when leaving the employment of the district, they shall be compensated for these days as follows:

- After 10-14 years of service: 10% of accumulated days at \$10.00 per day
- After 15-19 years of service: 15% of accumulated days at \$15.00 per day

Vacation shall be based on entitlement as of the employee's time in the Bargaining Unit.

All vacation dates are subject to the approval of the building principal.

Vacations will be paid based upon each employee's regular daily schedule.

Any member of the Bargaining Unit who works less than a regular five-day week shall have his/her vacation days prorated accordingly.

Article 16
Other Benefits

The School Committee will provide hospitalization, life insurance and retirement benefits for Paraprofessionals who regularly work twenty (20) hours or more a week if eligible under any and all current applicable laws.

B. The Committee agrees to deduct from the Paraprofessional's salary, dues or agency fee payments for the Barnstable Teacher's Association, and National Education Association, or any one such Association as Paraprofessionals individually and voluntarily authorize the Committee to deduct and to transmit the monies promptly to such Associations. Paraprofessional authorizations will be in writing in the form set forth as the Barnstable Teachers' Association Dues Authorization Card.

Article 19

Reduction in Force

A. It is recognized that the Superintendent has the sole and exclusive right to eliminate Paraprofessional staff consistent with the law and with contractual obligations with Barnstable Teachers Association.

B. When a reduction in Paraprofessional staff is necessary because of a decrease in student enrollment, changes in curriculum, shortage of funds, changes in use of instructional personnel, or for other reasons approved by Administration, the Superintendent shall determine the area, subject, level or programs that will lose staff positions.

C. Paraprofessional employees of the Barnstable Public Schools will be dismissed by level according to seniority:

1. Seniority within group levels as follows:
 - a. Level A: School Assistants
 - b. Level B: Teacher Assistants
 - c. Level C: Library Assistants
 - d. Level D: Health Office Assistants
 - e. Level E: Technology Assistants
 - f. Level F: Personal Care Assistants
 - g. Level G: Special Education Instructional Assistants
 - h. Level H: Certified Occupational Therapist Assistants
 - i. Level I: Certified Physical Therapist Assistants

D. A Paraprofessional employee would retain her/his continuous years of service in Barnstable in their designated Paraprofessional level, the level at which they are currently working. In a reduction in force situation seniority shall be defined as years of continuous service in the bargaining unit and bumping rights shall be first applied to their current designated group level. The least senior person in a designated group level may exercise bumping rights into another group level in which (s)he has had experience in Barnstable.

E. Dismissal of Paraprofessional staff within a level due to reduction in force will be based on length of continuous service in Barnstable provided there is no significant difference in quality of performance. Thereafter, the Superintendent or his/her designee shall consider both performance and seniority. In the absence of a significant difference in performance during the past three (3) years, as determined by the Superintendent or his/her designee, seniority shall be the determining factor. The question as to whether there is a significant difference in performance may be grieved up to and including level 3 of the grievance procedure and shall not be subject to arbitration.

F. Dismissals due to reduction in force will be proceeded by notice prior to June 15 or sooner, if possible.

G. In the event of a Reduction in Force, Paraprofessionals with two (2) or more years of continuous service as Paraprofessionals for the Barnstable Public Schools who desire to retain recall rights for up to one (1) year may do so. Such period shall

be treated as an involuntary leave of absence without pay. During such period Paraprofessionals may elect to continue insurance coverage by paying the full premium to the Finance Director on a timely basis. At the time of the notification of Reduction in Force, if two (2) or more employees in a group are laid off at one time, the Committee shall state the relative ranking for purposes of recall. Recall shall be in reverse order of layoff.

H. For Reductions in Force to take effect prior to the next school year, absent special circumstances, the Superintendent shall notify employees to be laid off no more than thirty (30) days after the legalization of the budget or by the last day of the school year, whichever occurs later. For Reductions in Force to take effect during the school year, the Committee shall notify employees to be laid off a minimum of thirty (30) calendar days prior to the effective date of the layoff.

I. Upon request of the Association, a list of those on layoff with recall rights by group level will be provided. If a vacancy arises between September 1 and the last day of school for students, the Association shall notify all employees on layoff in the affected group of said vacancy so that they may indicate an interest in being recalled to work. Failure to notify the Superintendent or his/her designee, of such an interest within seven (7) calendar days after the vacancy is posted on the Association bulletin board will result in a loss of all recall rights. If a vacancy arises between the close of school and August 31, the Association will be notified, and shall notify all employees on layoff in the affected group of said vacancy as set forth above. A Paraprofessional shall have fourteen (14) calendar days to notify the Superintendent or his/her designee, after notification is given to the Association. Failure to respond within said fourteen (14) calendar days will result in a loss of recall rights.

J. Upon written request an updated seniority list will be furnished to the Association. The employer shall publish the seniority list to bargaining unit members annually by October 31. Any errors shall be brought to the attention of the Superintendent, in writing, by November 30. As of that date, no further revision will be made to the seniority list until the following year. The seniority list shall be by order of length of service as defined in section D of this article.

K. Seniority shall not accumulate during a leave of absence with or without pay, but such leave of absence shall not interrupt continuous service as defined above.

L. This article applies only to permanent Paraprofessionals. The Superintendent or his/her designee retains the right in their discretion to dismiss temporary Paraprofessionals provided a written notice of five (5) working days is given to the Paraprofessionals so dismissed.

Article 20 Committee Rights

Nothing in this Agreement shall be deemed to derogate from or impair any power, right or duty heretofore possessed by the Committee except where such right, power or duty is specifically limited by this contract.

Article 21
Duplication of Contract

The Committee agrees to pay fifty percent (50%) of the cost of printing and mailing copies of the Agreement in booklet form and to distribute copies of the Agreement to each member of the Bargaining Unit presently employed by the Committee and to each new employee hired during the duration of this Agreement. Printed copies shall be available for all employees within thirty (30) days of the signing of this Agreement or by its effective date, whichever comes later.

Article 22
Severability

In the event that any provision of this Agreement is ultimately ruled invalid for any reason by an authority of competent and established legal jurisdiction, the balance and remainder of the Agreement shall remain in full force and effect.

Article 23
Job Descriptions and Evaluation Instruments

A joint committee composed of an equal number of members from the Committee and the Association shall be established to make recommendations regarding updating job descriptions and changes to evaluation instrument(s). There may be separate evaluation instruments in recognition of the differences in job classifications.

Article 24
Longevity Pay

Employees will be eligible for longevity pay as follows:

* COTAs employed at the time of ratification will be paid at their current rate until they would be entitled to be paid at a higher rate according to the foregoing salary schedule.

All bargaining unit employees employed at the time of ratification of the 2012-2015 Memorandum of Agreement shall receive a one-time payment of \$175. This amount shall be pro-rated for part-time employees.

Employees shall be given the option of receiving their pay over either 10 or 12 months in accordance with the following provisions:

1. Paraprofessionals will be given the choice during the annual benefit open enrollment to make an election for the following school year of 20 or 26 equal wage payments.
2. 20 payments will be the default payment schedule. All new hires both at the start and mid-year will be enrolled in the 20 payment schedule.
3. Both the 20 and 26 payment schedules will commence the first check date in September of the annual payroll calendar as published and modified as needed by the Town Treasurer's office.
4. An employee's prior year election remains in effect year to year if no action is made during the open enrollment window.
5. Accumulated vacation time will be paid for both 20 and 26 payment schedules on the payroll closest to the 21st payment but no later than June 30th.
6. Payment cycle elections are non-revocable. Mid-year position changes are not a qualifying event to change payment schedule.
7. Payroll deductions of Health, Life, Dental and Retirement contributions will be modified to the employee's payment election. All other deductions will remain on a 20 deduction cycle or as deemed necessary by the Treasurer's Office.

Appendix B
BTA/BSC Medical Relief Fund

The Committee will establish the “BTA/BSC Medical Relief Fund for Paraprofessionals” and deposit into such fund \$47,121 on July 15, 2013; \$47,121 on July 15, 2014; and \$47,121 on July 15, 2015.

In each fiscal year of the deposit, that deposit shall be used to fund “premium holidays” for every employee subscribing to the Town’s health insurance policy. A premium holiday is when the Committee, through this fund, pays for what would otherwise be deducted from a subscriber’s paycheck.

The number of such holidays each year, which may be fractional, shall be calculated to deplete the fund each fiscal year. The full holidays shall start with the first pay period in October and continue for subsequent pay periods. Instead of implementing a fractional holiday, the Committee shall, on the subsequent pay period, pay each employee in the amount of the fractional holiday.

Before the implementation of the Holidays, the Committee shall send a notice to all employees stating the number and value of the holidays by health insurance option. The Committee shall provide a copy of the accounting of the BTA/BSC Medical Relief Fund within a month after the last holiday each year.
